NOTIFICATION OF PENDING RELATED APPLICATION

Sir:

The following co-pending application discloses and claims subject matter that is related to the subject matter disclosed and claimed in the present application:

U.S. Patent Application No. 10/392,308, filed March 20, 2003, entitled "Peripheral Impedance Plethysmography Electrode and System With Detection of Electrode Spacing."

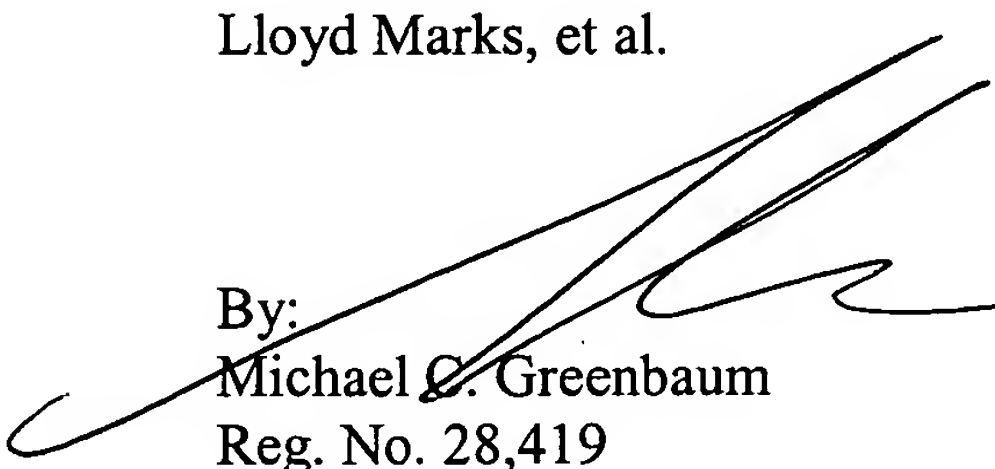

Applicants respectfully request that the above-cited related application be considered and made of record in the examination of the present application.

If any outstanding issues can be resolved most quickly through a telephone communication, the Examiner is invited to telephone the undersigned, so that prosecution of the present application may be expedited.

Respectfully submitted,

Lloyd Marks, et al.
